

Fanvil HT301-U/HT302-U USB Wired Headset

Fanvil HT301-U/HT302-U is a USB wired headset which is specially designed for office and call center communication. With dual microphones, HT301-U/HT302-U supports ENC noise reduction technology, offering an immersive HD audio experience. Streamlined ergonomic design, soft leather ear cushions and ultra-lightweight provide all-day comfort for you to wear. You can choose the HT301-U mono headset or the HT302-U dual headset according to your preference, both of which support connecting to Fanvil IP phones with USB interfaces, third-party mainstream IP phones with USB interfaces, and PC devices.

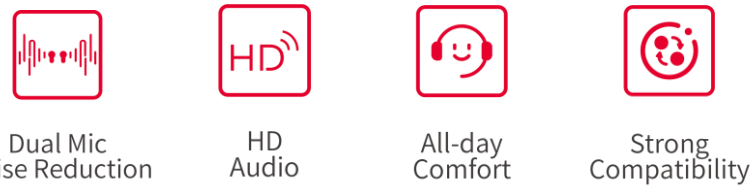

HT302-U USB Dual Headset

Highlights

- **Dual Mic Noise Reduction:** Support ENC Environment Noise Cancellation Technology to reduce the background noise in the environment, bringing a crystal-clear communication experience to the listener
- **HD Audio:** Support wideband HD audio, which is designed for the calling and music. Support Anti Electromagnetic Frequency Interference and dynamic EQ function, providing more vivid and rich audio quality.
- **All-day Comfort:** Ergonomic design with soft leather ear cushions and ultra-lightweight. 260° bendable boom arm allows users to wear according to their preference.
- **Strong Compatibility:** Compatible with Fanvil IP phones with USB interface, as well as the third-party mainstream IP phones and PC devices with USB interface.
